0300711593 • Cinza

0300711591 • Bege

0300711590 • Vermelho

Para os pisos comerciais e residenciais, o capacho de alta absorção é eficaz na retenção de grande quantidade de água, deixando o chão mais seco e seguro, por possuir base antiderrapante. Recomendado para locais com passagem de muitas pessoas, auxiliando na preservação dos pisos, pois os protege de sujeira, umidade e eventuais impactos de objetos.
